

Ashley Olson, SPT

Ashley Olson is a Doctoral Physical Therapy Resident from the University of Mary in Bismarck, ND.

Per her Doctoral degree training, she has received specific training in differential diagnosis, primary care screening, pharmacology, radiology and imaging, manual therapy, therapeutic interventions, health care management, prevention and wellness, health promotion, histology, and pathology.

She has interests in orthopedics/sports medicine, injury prevention, rural outpatient and pediatrics. She has had past experiences in rural outpatient, acute care, and pediatrics in Minnesota and South Dakota.

Her undergraduate degree was in Exercise Science and a minor in psychology with an emphasis in pre-physical therapy completed at North Dakota State University in 2015. Like all of our PT staff, she is a member of the American Physical Therapy Association and recently attended the National Student Conclave (NSC) in Omaha, NE in 2015 and in Miami, FL in 2016.

Eugene PT has a strong commitment to education. Its PT staff not only teaches post-graduate courses throughout the United States, but have three APTA Credentialed Clinical Instructors that supervise final residency programs prior to DPT graduates taking their Board Examinations. Our clinical education program has gained a reputation over time, having contracts with over 10 universities throughout the U.S.A. Our goal is to train our PT Residents to be able to provide the exceptional standard of care that is our mission. Seeing any of our Residents should be a rewarding experience given the training they have been and are presently being given.
