

## Miranda Dupree, SPT, ATC

Miranda Dupree is a Doctoral Physical Therapy Resident from the University of Mary in Bismarck North Dakota.

Per her Doctoral degree training, she has received specific training in differential diagnosis, primary care screening, pharmacology, radiology and imaging, manual therapy, therapeutic interventions, health care management, prevention and wellness, health promotion, histology, and pathology.

Miranda is a Certified Athletic Trainer through the Board of Certification for Athletic Trainers.

She has interests in orthopedics/sports medicine, injury prevention, and wound care. She has had past experiences in outpatient orthopedics, acute care, and skilled nursing facilities in Montana, Texas and North Dakota. Her professional interests extend to her passion for athletics which included three years of collegiate track and field.

Her undergraduate degree was in Athletic Trainer with minors in coaching and wellness completed at the University of Mary in 2017. Like all of our PT staff, she is a member of the American Physical Therapy Association, and recently completed her Selective Functional Movement Assessment Level one certification.

Eugene PT has a strong commitment to education. Its PT staff not only teach post-graduate courses throughout the United States, but have four APTA Credentialed Clinical Instructors that supervise final residency programs prior to DPT graduates taking their Board Examinations. Our clinical education program has gained a reputation over time, having contracts with over 10 universities throughout the U.S.A. Our goal is to train our PT Residents to be able to provide the exceptional standard of care that is our mission. Seeing any of our Residents should be a rewarding experience given the training they have been and are presently being given.
