

Drew Peterschmidt, SPT, CSCS

Drew is a Doctoral Physical Therapy Resident from Oregon State University Cascades in Bend, Oregon.

During his Doctoral degree training, he has undergone coursework in orthopedics, sports, therapeutic exercise, anatomy and physiology, motor control and motor development, neuro-rehabilitation, differential diagnosis, prosthetics and orthotics, pharmacology, cardiology and pulmonology, pediatrics, and geriatrics.

Drew's primary areas of interest are in orthopedic and sports physical therapy. He is going to pursue his orthopedic clinical specialist certification (OCS) after graduation and is considering going through a residency in orthopedic physical therapy as well in near future. He has past physical therapy experience in outpatient orthopedics, neurologic rehab, and home health in Bend, OR.

He completed his undergraduate education at Oregon State University graduating in 2020 with a degree in Kinesiology. Like all of our PT staff, he is a member of the American Physical Therapy Association (APTA) and the APTA orthopaedics section.

Eugene PT has a strong commitment to education. Its PT staff not only teach post-graduate courses throughout the United States, but have three APTA Credentialed Clinical Instructors that supervise final residency programs prior to DPT graduates taking their Board Examinations. Our clinical education program has gained a reputation over time, having contracts with over 10 universities throughout the U.S.A. Our goal is to train our PT Residents to be able to provide the exceptional standard of care that is our mission. Seeing any of our Residents should be a rewarding experience given the training they have been and are presently being given.
