

Kaylee Amoe, DPT

Kaylee is a graduate of the Franklin Pierce University where she received her Doctorate of Physical Therapy (DPT).

As a Doctor of Physical Therapy, Kaylee has received specific training in differential diagnosis, primary care screening, pharmacology, radiology and imaging, manual therapy, therapeutic interventions, health care management, prevention and wellness, health promotion, histology, and pathology. Clinically, Kaylee is interested in orthopedics, sports medicine, neurologic rehabilitation, cardiopulmonary rehabilitation, and pelvic floor therapy. During her graduate school training, she participated and became certified as a Pelvic Floor Therapist through Herman & Wallace Institute. Kaylee is on track to pursue Board Certification as Orthopedic Clinical Specialist (OCS).

Outside of Physical Therapy Kaylee enjoys hiking, swimming, yoga, traveling, watching hockey, and spending time at her family cabin in Minnesota.
