

Campion Krautter, DPT

Campion Krautter is a graduate of the University of Oklahoma Health Science Center where he received his Doctorate of Physical Therapy (DPT). Prior to this he received his Bachelors of Science in Health & Human Performance from Northeastern State University with a minor in Psychology. As a Doctor of Physical Therapy, Campion received specific training in orthopedic assessment & treatment, neuromuscular re-education, & manual therapy.

Campion specializes in treating orthopedic conditions, with extensive experience working with a variety of athletic populations including national level rock climbers, elite distance runners, & Division 1 soccer players. Campion enjoys empowering & educating patients in developing ownership of their rehabilitation in order to get the best possible outcome.

In his free time, Campion enjoys reading, volunteering, playing basketball, and spending time with friends.
